Good morning,

Is there a public map released that the UC has showing which storage tanks were affected? And what others were impacted?
Has the UC put out the volume of each of the tanks?

Subject: Permits for Storage - TPC Group Port Neches

Hello Aimee,

I am Steven McGinn, reporter for Argus Media.

I am inquiring about the storage tanks affected by the explosion at TPC Group Port Neches.

Here's incident from Texas regulators:
<https://www2.tceq.texas.gov/oce/eeer/index.cfm?fuseaction=main.getDetails&target=325683>

Is there a way of confirming which of these tanks were impacted? And, is there a record of the volume of the tanks (i.e., how much capacity the tanks can store)?

Thank you,

Steven McGinn
